Dear Neighbor,

Please join the Monktail Creative Music Concern July 25 and August 15, 2009 for **Sounds Outside: A Celebration of Adventurous Music and Community!**

This year, our 4th annual free, outdoor, festival of jazz and creative music boasts some of the Pacific Northwest's greatest talent. We're pleased to again present this year's festival within the unique natural amphitheater of Cal Anderson Park in Seattle's vibrant Capitol Hill neighborhood.

Your support for this community event means more than ever. In this economic climate, there are few ways to creatively reach a receptive target audience with a clear, positive statement.

Becoming a sponsor of Sounds Outside sends a message that your support of the arts and the local community transcends the difficult economic challenges we each are facing. Together we can celebrate the diversity and creativity of our city, in an event that highlights our ability to work together and step outside the box.

I hope you will take time to review our sponsorship package and join us for Sounds Outside!

Sincerely,

John Seman

Director
Monktail Creative Music Concern

P.S. The success of this event depends entirely on community support. If you support bringing creative music and activity to the community, please make a contribution today.
